OFFICE OF THE SECRETARY TO H. H. THE MAHARAJA OF MYSORE. 20 MAY 1919

C.

His Highness

Sir Sri Krishnaraja Wadiyar Bahadur,

G.C.S.I., K.C.C.B.E.,

Maharaja of Mysore.

Yesterday 17-5-19

MAY IT PLEASE YOUR HIGHNESS,

I, A. Vedantadesigam Iyengar, retired Assistant Commissioner, most humbly beg to submit this memorial to your Highness with a prayer that it may receive kind and gracious consideration from your Highness.

I was retired on the 1st November last on a pension of Rs. 203=1—0 after a service of more than 32 years. During this period I served in responsible posts as an Amildar for about 10 years and as Assistant Commissioner for 15 years and there was not a single instance of my work failing to give satisfaction to higher authorities as I always did my duties most conscientiously in the best interests of public service. For the good work I did, I have secured my pension and I am grateful to Government.

I have an only son by name K. V. Ramasamiengar. He is a B.A., B.L., now employed as a bench clerk in the Court of the Hon'ble the British Resident on a pay of Rs. 100–5–125. He was selected by the Resident for the post out of a large number of 60 B.L. applicants. He was born in this State and after passing his F.A., from the Central College, Bangalore, he took up his degree from the Presidency College, Madras and then passed the B.L., degree. He then served as an apprentice to a High Court Vakil and has also passed the High Court apprentice examination. He has also passed Kanarese Translation Higher. He had appeared for the Mysore Civil Service Examination of the year 1913 and secured a pass though failing to come within the prescribed number for getting a Probationary Assistant Commissioner's place. All the candidates that secured a pass that year have been provided with suitable posts except my son. He had applied for a Probationer's place more than once during the tenure of Dewanship of Sir Visveswarayya. After he entered service in the Residency his application was forwarded to the Dewan by the Hon'ble the Resident in 1917. He has also gained experience in judicial work as he has served nearly 3 years as bench clerk. He is anxious to serve in the State as he was born and bred up here. I am also anxious that he should serve in the State in which I have served long and settled for life. While candidates with less qualifications are entertained as probationers year after year, I beg to bring to the notice of your gracious Highness that my son has not been fortunate enough to get a suitable post in the State service in spite of our earnest attempts.

Under these circumstances, I have ventured to approach your Highness with this humble memorial. In consideration of my long and honest service and in view of my son's qualifications, I pray that your Highness may graciously be pleased to confer upon my son one of the posts of Special Magistrates to be newly appointed by Government at an early date. For which act of kindness and generosity, I with my son as in duty bound, shall ever pray for the long life and prosperity of your Highness.

I humbly beg to remain,

Your Highness' most obedient servant,

A. Vedantad[illegible]

To

The Chief Secretary to the Government
Fort St. George

Respected Sir,

With reference to the representation made by me some-time ago for appointment as Special Magistrate in connection with the extension of the scheme of appointment of Special Magistrates to two more Districts, I understand that certain principles in supersession of the existing ones regarding selection of candidates thereto are intended to be laid down, so as to exclude the Secretariat Officials from such appointments. As some of us have already put in sufficient service and have worked in the Judicial Branch and are quite in touch with the Criminal Law and able to administer the same as well and satisfactorily as any others who may be selected from among Amildars or persons practising as Lawyers, I fail to see the justice of shutting us out from the field of selection. At any rate I have put in sufficient service as Amildar and Second Class Magistrate. I have also worked in the Judicial Branch of the Secretariat for a long time and has given complete satisfaction as a Magistrate. I therefore beg that I may be exempted from the operation of any new principle which may come to be enunciated and selected for the post and that this representation may be brought to the notice and favourable consideration of the Council.

I beg to remain,
Respected Sir,
Your most obedient servant,

To

C. S. Balasundaram Iyer Esq., B.A.,

Chief Secretary to the Government of

His Highness the Maharaja of Mysore

Sir,

As I hear that the Government have just now under contemplation the making of some fresh appointments of Munsiffs and Special Magistrates under the New Separation Scheme, I beg to offer myself as a candidate for one of the appointments.

I am a native of Mysore and have just completed 24 years. I graduated in Arts of the Madras University in 1915 and in Law in the Bombay University in October 1917. In the latter it was my good fortune to pass both the First and Second LL.B. Examinations in the First Class and to head the list for the Presidency. I was also the recipient of the Inverarity Gold Medal awarded to the best student of the year in Law, and the Arnold Scholarship for proficiency in Hindu Law.

I enrolled myself as Advocate in July 1918 and have since been practising in Bangalore with Messrs.L.Srinivasiengar and V.Venkatachar and have been handling a good deal of work in all the Courts including the Chief Court.

As soon as I left College, I approached Sir M.Visvesvaraya with a request that I may be employed in the Judicial Department and he was pleased to say that as the last of the appointments just then required had been made, he would consider my application when the next chance of making appointments came up.

My uncle Mr.Baily Vencoba Rao and my father Mr. Baily Seshagiri Rao are now in service, one as the Traffic Manager of the Mysore State Railways and the other as Deputy Registrar of the General and Revenue Secretariat.

As I have also been somehow anxious to get into His Highness'

Highness' services while still young, I have ventured to offer myself once more for employment.

I beg to remain,

Sir.

Your most obedient servant,

B. Vasudevamurty

Advocate.

BIOGRAPHICAL SKETCHES OF MYSORE VI.

E. CHINNASWAMI PILLAI.

"The gentleman a brief sketch of whose official life we intend presenting to our readers here was one of those great men who enjoyed in a great measure the appreciation and encouragement of noble, high class Englishmen."

"Erungundram Chinnaswami Pillai was born in Madras in 1816. Young Chinnaswami was educated in the College of Fort St. George—the father of the Modern Presidency College, and left the institution in the year 1833 with a certificate from the authorities of the college to the effect that he has a fair acquaintance with English and is an intelligent, quick and attentive lad.

Public service soon allured him into its ranks and he entered it with the qualifications above mentioned and a determination to rise high in it, if ability and honesty could at all back him up in the effort therefor. The first glimpse we get of him as an Official is as a Head Writer of the Madras Stationery Office, 1833 and we need not follow him into all the windings of a Clerk's career in those days."

"On June 15th 1838, Mr. John Sulliven introduced him to Mr. Onslow, the Collector of Trichinopoly, as a remarkably intelligent, well educated man, and whom you would find very useful from his excellent knowledge of both English and Tamil."

"Mr. Onslow took him on and in a very short time came to see for himself what an acquisition Mr. Pillai was to him and the service in general. Chinnaswami's personality asserted itself; corruption or meanness of any kind excited his strongest loathing and disgust and he never took the trouble of concealing his feelings when in the midst of his debased co-workers. This gave rise to envy and enmity on the latter's part and we find Mr. Onslow writing to Mr. Pillai on 13th January 1840, 'I take this opportunity of mentioning that you need not suffer any alarm at the enmity which, of course, your upright conduct has generated in the minds of those who have been guilty of improper actions'. I will take care that none of them injure you."

After a lengthy explanation of the character of Mr. Chinnaswami Pillai, Mr. Onslow thus ends his letter to the Board of Revenue "Under this explanation, I trust the Board will see no objection to my continuing Chinnaswami Pillai in office—a determination of a contrary nature would I may be permitted to say tend very much to embarass and be a source of sincere regret to me."

In a letter dated 1st May 1852, Mr. H. J. Nicholls, the Accountant General thus speaks of him, "He is a very valuable public servant, most intelligent, zealous and especially attentive in his application to business. Of his integrity I have not the least cause to doubt. He is proceeding to Bangalore with the hope of advancing his prospects in life and although I should be glad to hear of his success, I must acknowledge that he will be a great loss in my office."

It was the days of British Commission in Mysore and General Sir Mark Cubbon was the Chief Commissioner. With an intutive eye he saw what an acquisition Mr. Chinnaswami would be to the service, and forthwith appointed him as the Head of the Dariaft Cutcherry on a salary of Rs. 200 per mensem. The position was no sinecure. Ordinarily it meant

the hearing of countless appeals from the petty tyranny of subordinate officialdom and doing justice between man and man. Added to this Mr. Chinnaswami a few months after he took charge was asked to conduct an enquiry into a case which seems to have been a grave and complicated one. Mr. Pillai emerged from the ordeal with flying colours. Mr. T. Clarke the Superintendent of the Ashtagram Division writing of it to the Commissioner says "In conclusion I beg to bring to the Commissioner's notice the zeal, ability and unwearied industry exhibited by Chinnaswami Pillai during his tedious enquiry." On this the Commissioner remarks thus "The Commissioner requests that you will inform Chinnaswami Pillai *that he has noted with great satisfaction the praise you have bestowed upon his labours.*"

As days passed, such golden opinions did Mr. Pillai win from his superiors that in 1854 (*i. e.* two years after he entered the service) we find Mr. Clarke recommending an increase of pay to Mr. Pillai in these words :—

"For Chinnaswami Pillai I respectfully crave a like indulgence on account of the peculiar nature of his duties which are of the most difficult and tedious description. Employed solely in the detection of abuses and bringing offenders to justice, he has invariably behaved in the most independent manner, and I have pleasure in recording the fact that I have never received a complaint reflecting upon his integrity."

But to proceed the increase recommended was instantly sanctioned and shortly thereafter Mr. Pillai was made the Head Sheristadar of the Ashtagram Division. * A Head Sheristadar of those days corresponded to, nay topped, the Deputy Commissioners of to-day. †*It was the highest appointment thrown open to the natives in the days of the commission.* None but the most devoted, most active and most truthful of the official world was raised to the position and to Chinnasawmy it came unsought.

But while man was so kind and propitious, the fates were not. Mr. Pillai succumbed at the early age of 45 to an attack of malaria and breathed his last in June 1861. Thus closed prematurely the career of one of whom we Indians might well be proud, it is true as the poet says

"Kind hearts are better than Coronets and simple truth than Norman blood."

Before he left this world Mr. Pillai had immense satisfaction of knowing of the decision of the Home Government to permit H. H. the late Sri Krishnarajendra Wodayar Bahadur to adopt a son to inherit the State.

* "Seventy or eighty years ago, it was a position of great power, great responsibility and great temptations." Mr. J. Bedford, I. C. S., Collector of Salem.

I was transferred to the Judicial Department on 5-4-17 when I was posted to Mysore as City Magistrate.

2. When Messrs. G. Srinivasa Iyer and D. K. Rama Row were lately appointed to the grade of Subordinate Judges on Rs.500 - 600 they were Munsiffs drawing Rs.350. I was then an Assistant Com - missioner in the same Department and on the same pay and therefore my rank was higher than theirs in the Department. My university and other qualifications were not inferior to theirs, and therefore I submit that my claims have been overlooked when these appointments were made. Mr. Basavaradya the other officer appointed as a Sp e- cial Magistrate was also below me in rank being in the 1V class - when I was in the 111 class of Assistant Commissioners.

3. There have been numerous instances where officers posted to certain appointments have been confirmed in those appointments only because they have (evidently) given satisfaction in the dis - charge of their duties in those appointments. Mr. Basava

The cases of Messrs. R. Ranga Row, N. Rama Row, Y. Narsinga Row and C. Venkata Roware instances in point. These officers were all junior to me in service and they have been now posted to appointments carrying a much higher salary as Registrar of Co-operative Societies, Supttg. Sericulture, Sandal Oil Factory and - Amrit Mahal Departments respectively.

4. I have now been doing (so far as I know, to the satisfaction of my superior officers) the work of a City Magistrate for over two years in one of the heaviest Criminal Courts in the State. The work of the newly appointed Special Magistrates (on Rs.500) does not differ either in quality or in quantity from the work I have been doing for the past two years. The satisfactory discharge of the duties pertaining to a particular appointment has been recognised in the instances above quoted and in many others as a just claim by the officer concerned to be confirmed in that appointment. I therefore submit that I have prior claims for confirmation as a City Magistrate under the new scheme.

5. The prospects of officers in other departments are considerably better than those of the members of the Mysore Civil Service, as a result, largely, of the reorganisation ofthose departments For instance, officers who were my contemporaries in school and college life, who in some cases entered service even later than myself, are now serving as Professors, Surgeons, and Executive Engineers in their respective departments. If therefore even in the case of appointments for which I may aspire in the normal course of events, my claims are to be overlooked, I humbly submit that a great hardship will be inflicted on me, which I will have done nothing to deserve.

6. I therefore humbly pray that I may be ~~confirmed~~ posted as a Special/I class Magistrate when appointments are to be next made to that grade, pending which, in consideration of the fact that the work I am and have been doing for 2 years past in no way differs from that of a Special Magistrate (1st Class) and of the fact that

my claims have been superseded by the three appointments mentioned in para 2, and also becausethe pay of a City Magistrate has been fixed at Rs.500 - 600 per mensem in the Government Order itself sanctioning the new appointments, I further pray that I may be granted an acting allowance so long as I discharge the duties of a City Magistrate, under the old scheme.

I have the honour to be,

Sir,

Your most obedient Servant,

H V Ramaswami

"At no time, perhaps, have the well-known words about the popular taste for particulars as to the private life of a hero been truer than at the present: "We all want to know details regarding men who have achieved famous feats, whether of war, or wit, or eloquence, or endurance, or knowledge. Has one or two happy or heroic actions taken a man's name and memory out of the crowd of names and memories? Henceforth he stands eminent. We scan him: we want to know all about him; we walk round and examine him, are curious, fond and think are we not as strong and tall and capable as yonder Champion; were we not bred as well, and could we not endure the winter's cold as well as he?"

No. 1215.

P.F. Bowring, Esquire,

Deputy Commissioner,

Mysore District.

Sir,

861

In January last I submitted an application praying, for reasons explained, that I might be exempted from passing the Civil Tests or be given an acting promotion to the grade of the Senior Assistant Commissioner subject to confirmation on my passing the Tests by next year.

At the same time I applied for two months' privilege leave from 10th March 1919 to enable me to qualify myself for promotion by passing the Examinations in May last.

In reply to my request for exemption the Government passed an order that they were not prepared to relax the rules.

My request for leave was also refused on account of the Food Situation.

I thus lost the opportunity of passing the Examinations in May last; two of my juniors have been already gazetted to acting vacancies in the grade of the Senior Assistant Commissioner - thus practically closing all prospects of my promotion to that grade.

In these circumstances I beg leave to request that I may be graciously recommended for appointment as a Special Magistrate of First Class in the opening of the Special Courts in Mysore and Kadur Districts from October next.

I have already more than once preferred this request as an alternative to promotion to the Senior Assistant Commissionership as the appointment will give me the same prospects for the short period of two years of service still before me as I am due to retire by reason of age in July 1921.

I beg to remain,

Sir,

Your most obedient servant,

A. [illegible]

(Assistant Commissioner).

Respected Sir,

I am a law graduate and was practising as an Advocate in Bangalore when I was entertained in the Chief Court office by the Chief Judge. I have put in a service of over four years in the Judicial Department. During this period I was for some time deputed to the special work of the preparation of the Digest of Cases of the Chief Court and as a recognition of my humble services kind mention has been made in the preface to that work.

I have acted as First Munsiff, Mysore, for nearly five months and Mr. B. Subbanna, the then District Judge, has been pleased to write to the Chief Judge very favourably of me and my work as Munsiff. He has also recommended me very strongly for a 2nd class Magistrate's place when I applied for it last year to the Chief Court.

During the last inspection of the Chief Court office, Mr. Justice Plumer has been pleased to report that I have been doing my work well and intelligently.

I humbly request that in consideration of the above facts, I may be appointed a 2nd Class Magistrate

in giving effect to the Separation Scheme in October next.

I beg to remain,

Respected Sir,

Your most obedient servant,

Mr. Subbanna, I know, formed a very favourable opinion of Mr. Ramanna's work in Mysore as acting Munsiff, and I believe him to be qualified for the office of a Magistrate or Munsiff.

His work in the Chief Court has been quite satisfactory.

THE CHIEF JUDGE,

THE CHIEF COURT OF

Honoured Sir,

The undersigned is a Graduate in Arts and in Law of the Madras University. He is a Mysorean by birth and education and has immovable properties consisteng of houses and lands at Chitaldrug and in Molakalmuru Taluk of the -- Chitaldrug District. He pays annually a Revenue Assessment of about Rs.150/- to the Mysore Government for his lands of which the Patta stands in the name of his elder borther, who with him forms a joint hindu family.

He got himself enrolled as a First Grade Pleader by the Madras High Court in about September 1912 and has since practiced as a Lawyer in the District Court of Bellary. During the said period of practice he has had opportunities to do much of criminal practice in the various Taluk Magistriates' Courts of the Bellary District and also in the Courts of Session's Judge and The Additional Sessions Judge of Bellary division. He has thus gained considerable experience in the conduct of the Criminal litigation of the higher and the lower type. In the same way, he has done decent - quantity of civil work especially on the original side and has thus gained a good insight into the ~~original~~ ordinary kind of Civil Litigation that generally prevails in the Courts of the District Munsiffs in the Madras Presidency.

Again, he was first enrolled as a First Grade Pleader by this Honourable Court in about September 1914. He has been constantly appearing in the Taluk Magistrate's Court at Molakalmuru during all these years in various Criminal Cases

and

and has also defended in 1914 a dacoity case before the -- Session's Judge of Shimoga Division at Chitaldrug Camp.

With about the past seven years' practice at the Bar he has gained sufficient experience to discharge the - duties of a Munsiff or of a Magistrate. He has also qualified himelf to be enrolled as a High Court Vakil by the Madras High Court by having passed the Madras High Court Apprentices' Examination and by having practiced in a District Court for more than 5 years. He was a candidate at M.L. Degree Examination (in Contract Branch) held in April last, the result of which will be announced ~~xx~~ within a short time. He recently came back to the Mysore State, practiced for some time in the District Court of Mysore and is now practicing at the District Court of Shimoga.

He learns that the Mysore Government is extending from 1st October the system of separating the Executive from the Judicial functions of the administation into the Districts of Mysore and Kadur and solicites that this Honourable Court will be pleased to consider his claims and to recommend him to His Highness's Government to confer upon him the appointment of a Special Magistrate ~~or of a Munsiff~~. He has herewith -- submitted 4 testimonials from the European Civilian Judges before whom he has praciced regarding his efficiency in legal work and his fitness for a Judicial Office.

His Highness the Maharaja of Mysore,

M y s o r e.

May It Please Your Highness,

The humble memorial of T. Gundappa, B.A., B.L., No.152 Dewan's Road, humbly showeth:-

1. The humble memorialiast joined the late Royal School when it was started in 1891, and had the proud privilege and fortune of being one of Your Highness's class-mates for five years until 1896, when he passed the Mysore Lower Secondary Exam--ination from that School. Your Highness was graciously pleased to consider the capabilities of this humble memorialist and a few others who were also his class-mates and gave them scholarship upto the B. A. degree Examination. By means of the boon thus conferred, the humble memorialist passed the B. A. degree Examina-tion and then studied for Law till he took the B. L. degree in 1910.

2. The humble memorialist presented two memorials to Your Highness soon after passing his B. A. degree Examination and many after taking the B. L. degree to be favoured with an appointment in the Mysore Service but was not fortunate to get any.

This humble memorialist enrolled himself in 1911 and has been since then practising as a lawyer till now.

This humble memorialist has also passed the Revenue (Higher) Examination of the Mysore Local Service, and thus through the great bounty of His Highness completely qualified himself to any High Office in the Judicial or Revenue line.

3. The memorialist humbly begs to submit that he is not only the one of all Your Highness's Class-mates who has taken the B. L. degree, but that he is also the only one - who is still unprovided for with any decent post in the - Public Service.

4. The humble memorialist was also a candidate for the Munsiff's Examination which was recently held in April 1918 and has taken a pass therein.

5. The memorialist hears that Magistrates will be appointed by October 1st in pursuance of the Separation of the Judicial and Executive Scheme. Hence the humble memo--rialist prays that His Highness will be graciously pleased to confer upon him the post of a Munsiff or a Second Class Magistrate.

6. For which act of kindness and love, this humble memorialist ever prays that God will shower his choicest blessings upon Your Highness.

The memorialist begs to subscribe himself,
